

NKY KNOWS ADVANCED MANUFACTURING

MAKE HERE. ACCESS TO ANYWHERE.

Northern Kentucky is well poised to support advanced manufacturing from R&D to production to the supply chain and access to your customers. Major manufacturing companies such as Mubea, Mazak, Safran Landing Systems, Meggitt, Fives Machining, and Celanese have already chosen Northern Kentucky for its competitive business advantage.

Northern Kentucky Advanced Manufacturing Companies by Sector

“The people in Northern Kentucky are our most valuable resource. Having access to the education and technology resources in the region helps us fuel innovative thinking and innovative ideas that are needed for advanced manufacturing. There’s almost nothing we can’t make when we put our minds to it. Mazak is proud to have our North American headquarters in Florence, KY.”

Dan Janka, President, Mazak North America
