

Northern Kentucky is a proven location for Automotive suppliers and manufacturers serving the industry. Within 330 miles of more than 40 Automotive assembly plants, Northern Kentucky is home to a strong base of Automotive regional headquarters, component suppliers – from springs to sensors and steering systems – and distributors.

A key part of the Cincinnati MSA, Northern Kentucky is centrally located on the I-75 corridor with strong rail service, an inland port, and two major air cargo hubs at the Cincinnati/Northern Kentucky International Airport (CVG). The region offers excellent accessibility.
