

GROWTH PARTNERSHIP

NKY KNOWS SUPPLY CHAIN

**MAKE ANYTHING.
SHIP ANYWHERE.**

The Cincinnati region is home to retail and consumer product goods giants Kroger and Procter & Gamble as well as a deep bench of logistics management companies, such as Total Quality Logistics. Getting products to customers is part of our history and our future. Our strength in supply chain is supported by leading business and technology university programs and hands-on technical training.

When our expert network of analytics and data system professionals are matched with our excellent geographic location and transportation access, it means supply chain success. A wide range of companies have found the expertise, workforce, and an ideal location that allows them to get a product from Northern Kentucky to the rest of the world quickly and efficiently. The Cincinnati/Northern Kentucky International Airport is the sixth-largest cargo airport in North America and home to Amazon Air and DHL Express air cargo hubs.

SUBCLUSTERS

Northern Kentucky is home to leading global [supply chain](#) companies, with concentrations in aviation maintenance, logistics management & consulting, logistics technology, and materials & packaging.
