

NKY KNOWS SUPPLY CHAIN

**MAKE ANYTHING.
SHIP ANYWHERE.**

The Cincinnati region is home to retail and consumer product goods giants Kroger and Procter & Gamble as well as a deep bench of logistics management companies, such as Total Quality Logistics. Getting products to customers is part of our history and our future. Our strength in the supply chain is supported by leading business and technology university programs and hands-on technical training.

When our deep bench of analytics and data system experts are matched with our excellent geographic location and transportation access, it means supply chain success. A wide range of companies have found the expertise, workforce and an ideal location that allows them to get a product from Northern Kentucky to the rest of the world in under 24 hours.

SUBCLUSTERS

Northern Kentucky is home to leading global supply chain companies, with concentrations in aviation maintenance, logistics management & consulting, logistics technology, and materials & packaging.
